GRAND PRAIRIE
TEXAS
HOUSING AND NEIGHBORHOOD SERVICES

March 17, 2014

Dear Prospective 2014 Homeownership Fair Sponsors:

Grand Prairie Housing and Neighborhood Services Department is pleased to announce that planning is underway for 2014 Homeownership Fair scheduled to take place 8 a.m.-2 p.m. on Saturday, August 16, 2014, at the Ruthe Jackson Center, 3113 S. Carrier Parkway in Grand Prairie. I would like to solicit your participation in partnering with us in this endeavor. We are extremely proud of our accomplishments on providing and increasing homeownership and affordable housing opportunities. This event will provide prospective homebuyers with valuable information about the benefits of homeownership. Homebuyers will receive answers to questions about mortgage lending and will have an opportunity to speak with lenders, realtors, counseling agencies and other key players in the home buying process. Also, the event will offer current homeowners information on how to prevent mortgage delinquencies and foreclosure prevention.

Homeownership enables households to invest in their future, and feel a sense of community and stability in their neighborhood. It promotes a healthy living environment and builds strong communities. The Homeownership Fair will provide a valuable service to our community and your participation as a sponsor will help us tremendously in our efforts. We anticipate attendance of approximately 500-700 attendees.

Please join us in our efforts by committing to a sponsorship. We have enclosed a formal sponsorship letter with detailed information on sponsorship benefits and deadlines. Should you have any questions please contact Darwin Wade, Homeownership Fair Coordinator at (972)-237-8173 or via email dwade@gptx.org.

Sincerely,

William A. Hills, Director
Grand Prairie Housing and Neighborhood Services
