NEW LOCATION! - KID'S FISHING DAY AND FLIGHT OF THE MONARCH SEPT. 29

Saturday, Sept. 29 10 a.m.-2 p.m.

Central Park, State Highway 161 between Arkansas Lane and Warrior Trail

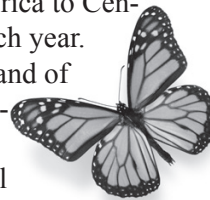

Kids Fishing Day

Kids ages 16 and younger are invited to Parks and Recreation's fall fishing event. Prizes will be awarded by age divisions (1-6, 7-11, 12-16) in the following categories: biggest fish, smallest fish and most fish caught. Anglers are encouraged to bring their own gear and bait. The lake will be stocked with catfish, but the waters are also home to other species. A limited number of loaner rods and reels will be available on a first-come basis—while the supply lasts. While the event is free and no pre-registration is required, Parks and Recreation staff will be on hand to register kids in order for them to be eligible for prizes at the end of the event. Adults, or anyone 7 years or older, is welcome to fish after 2 p.m., or any day after the event providing they have a valid Texas fishing license.

Flight of the Monarch

The migration of the monarch butterfly from North America to Central Mexico is one of the most incredible events in nature each year. Come celebrate this mysterious occasion with the city of Grand of Grand Prairie Parks, Arts and Recreation Department at Central Park and support the Central Park Guardians. Activities will include: dedication of the butterfly garden at Central Park, kite flying, a kid zone, vendors, a contest/parade for butterfly costumes and music.

THE GRAND PRAIRIE ARTS COUNCIL PRESENTS

THE BEST LITTLE WHOREHOUSE IN TEXAS

Rated PG-13 for adult language
and adult situations

This happy-go-lucky view of small town vice and statewide political side-stepping recounts the good times and the demise of *The Chicken Ranch* - known since the 1850s as one of the better pleasure palaces in all of Texas. Governors, senators, mayors and even victorious college football teams frequent Miss Mona's cozy bordello until that puritan nemesis Watchdog focuses his television cameras and his righteous indignation on the institution.

DOG DAYS OF SUMMER SPECIAL AT ANIMAL SHELTER

School's out, the sun is shining and summer is in full swing. You've got nothing to do and nowhere to go...ah, the dog days of summer are upon us.

Add a little excitement into these lazy days with a new pet! There's finally a reason to look forward to these blistering days. Prairie Paws Adoption Center, 2222 W. Warrior Trail, will run a

Dog Days of Summer special throughout the month of August and will offer \$20 off all dog and cat adoptions every day that it is hotter than 100 degrees. There's nothing cooler than rescuing a loveable pet from the shelter!

The Prairie Paws Adoption Center is open Tues.-Fri., 10 a.m. to 6 p.m. and Sat., 10 a.m.-5 p.m. (closed noon-1 p.m. for lunch). For more information visit www.gptx.org/paws or call 972-237-8575.

PHOTO CONTEST FOR CITY CALENDAR

Amateur and professional photographers who live in Grand Prairie are invited to enter the 2012 City Calendar Photo Contest. Entries will be accepted through Oct. 1, 2012. High resolution photos must feature Grand Prairie.

E-mail with your name, address, phone number to asprinkles@gptx.org. Or mail prints to: Amy Sprinkles, Communications and Marketing, City of Grand Prairie, P.O. Box 534045, Grand Prairie, Texas 75053

PROTECT AGAINST MOSQUITO BITES

Mosquito season in the Dallas-Fort Worth area typically runs from May to October, with peak activity in August. Defend yourself from West Nile Virus by using the 3Ds:

Deet

Use insect repellents that contain DEET or any other EPA approved insect repellent.

Dress

Wear long, loose and light-colored clothing outside during dusk and dawn hours.

Drain

Remove all areas of standing water. Change water in wading pools, pet dishes and birdbaths several times a week.

For more information call Dallas County Health and Human Services at 214-819-2100 or visit www.dallascounty.org/hhs.

AFTER-SCHOOL PROGRAM

The After-School program is a five-day-a-week program during the

school year that provides your child, ages 5-12, with homework time, a snack and recreation. Staff from Charley Taylor Recreation Center, 610 E. Grand Prairie Road, pick up from nearby Lee Elementary and offer van pick-ups from Bowie, Crockett and Williams. Children will be provided with snack, homework help, organized games, crafts, movies, computers and more. Payment is due weekly. Pickup will begin once liability form, membership fee, and first week fee is paid. The fee is \$20 per week for Lee Elementary School and \$30 per week for Bowie, Crockett and Williams. Call 972-264-6890 for more information.

FLOOD-RELATED ISSUES

Drainage System Maintenance

It is illegal in the City of Grand Prairie to dump any type of debris into a canal, stream, river or drainage ditch. This debris can become entangled in culverts and shallow streambeds, canals or drainage ditches and impede drainage causing the flow of water to back up. Citizens of Grand Prairie should also keep drainage ditches on their property free of debris, foliage and vegetation that would impede the flow of water. Debris dumping should be reported to the City of Grand Prairie city's Public Works Department at 972-237-8154.

Flood Information

Citizens of the City of Grand Prairie can obtain flood information concerning flooding, flood maps, mandatory flood insurance purchase requirements, flood insurance requirements and inquiries, and flood zone determinations from the City of Grand Prairie's Engineering Department located at the Development Center or by calling 972-237-8141.

Elevation Certificates of all properties in the Special Flood Hazard Areas (SFHA's) are available and on file at the Office of the Engineering Department and copies are available upon request.

Real time river gauge information can be obtained through the following websites: <http://70.128.162.108:81/mapfs.html> or www.usgs.gov.

Flood Protection Assistance

Concerned citizens and the general public can obtain information on flood protection assistance from the City of Grand Prairie's Office of Planning and Development or the Engineering Department by calling 972-237-8255 or 972-237-8141. Flood protection assistance provided by the City of Grand Prairie is site-specific flood and flood related data, data on historical flooding in the neighborhood and similar information so inquirers can relate the flood threat to their problems.

List of Services Provided:

1. Provide a list of names of contractors and consultants knowledgeable or experienced in retrofitting techniques and construction.
2. Provide materials or how to select a qualified contractor and what recourse citizens have if they are dissatisfied with the contractor's performance.
3. Make site visits to review flooding, drainage and sewer problems and provide one-on-one advice to property owners.
4. Provide advice and assistance on retrofitting techniques, such as elevating buildings above flood levels or the Base Flood Elevation (BFE), dry floodproofing, wet floodproofing and protecting basements from sewer backup. Also, information on the installation of barriers, levees, and flood walls around individual buildings or structures is available.

GP POLICE DEPT. KICKS OFF NEW ACADEMY

For the first time ever, the city of Grand Prairie Police Department is conducting its own Police Academy for police recruits. Previously, the city sent its new police hires to regional police academies, which do an excellent job. However, operating its own police academy allows the Grand Prairie Police Department to observe its police recruits on a daily basis during their 28-week academy and facilitates an 8-week Lateral Police Academy for experienced officers. Operating an in-house academy is cost effective for the city and allows police recruits to become more indoctrinated and knowledgeable regarding the city of Grand Prairie in their first weeks of employment.

HOUSEHOLD HAZ WASTE DISPOSAL

Paint is by far the most common item brought to our household hazardous waste (HHW) collection events. Remember, you can dispose of latex (water-based) paint by taking the lid off, letting it dry completely, and placing it in your trash. Oil-based paints and solvents should be brought to a collection event or taken to the Environmental Collection Center in Fort Worth.

Along with proper disposal, one of the most important things you can do is to reduce the amount of paint waste you generate.

Our next HHW events will be **Saturday, Sept. 8,** and **Saturday, Oct. 13,** from 9-11 a.m. at the Development Center located at 206 West Church St. We will accept household and automotive batteries, pharmaceuticals, motor oil, cooking oil, paint, aerosol cans, fluorescent bulbs, and household, landscape, and pool chemicals. We will **not** accept explosives, gas cylinders, fireworks, medical waste, radioactive materials, or municipal trash. **No commercial waste** will be accepted.

REGISTRATION IS REQUIRED. You can register by calling 972-237-8055 or on-line at www.gptx.org/WQ/HHW.
