

WHO ARE WE

VRM was founded by Gene Grounds in 1999 as a non-denominational faith-based organization modeled after the parable of the Good Samaritan *“But a certain Samaritan, who was on a journey, came upon him; and when he saw him, he felt compassion, and came to him, bandaged up his wounds, pouring oil and wine on them; and he put him on his own beast, and brought him to an inn, and cared for him”*

Luke 10:33-34

OUR MISSION

To Model Jesus Christ through mobilizing the faith community to partner with law enforcement agencies, victim service organizations and homeland security to deliver appropriate physical, emotional and spiritual support to victims of crime, disaster and terrorism.
