

CLEAN AIR ACTION CHALLENGE

Grand Prairie is a regional partner with Air North Texas, a non profit organization through NCTCOG, to promote a consistent air quality message and increase public awareness to reduce emissions.

Why Have the Challenge?

The 10-county DFW area is nonattainment for ozone affecting local businesses operations with air permits, restrictions on operations and estimated \$270 billion annual loss in economic output.

The Clean Air Action Challenge

The City of Grand Prairie is challenging your company to take action to reduce air pollution.

The Rules of the Challenge

1. Encourage your employees to take the Clean Air Action Pledge at www.AirNorthTexas.org/CleanAir.asp.
2. Create or adopt new creative clean air initiatives to encourage employee participation.
3. Complete and submit an application to CleanAir@gptx.org by Clean Air Action Day on Friday June 24, 2016. Application and additional information about the Challenge can be found at www.gptx.org/CleanAir.

Winners

Winners of the Clean Air Action Challenge will be announced at the Annual Environmental Awards Luncheon.

Go to www.gptx.org/CleanAir for more information and the application. If you have questions, email CleanAir@gptx.org or contact Environmental Services at 972-237-8055.
