

Community Development Block Grant Program

Public Service Agency Application For 2022 Program Year

GENERAL REQUIREMENTS

The PY 2022 Community Development Block Grant (CDBG) Program has not received notification of the yearly allocation. All funding allocations by the HCIC Committee will be contingent on the amount of allowable funding from HUD and may be subject to change. If approved allocation does change, the Housing and Neighborhood Services Department will notify each public service agency in writing of the change.

Proposals must provide evidence that the proposed program will primarily serve low and moderate-income City of Grand Prairie residents.

If the proposal does not meet one of the three National Objectives or is determined to be ineligible under any of the CDBG regulations, the project will not be considered for funding.

You are encouraged to check with us before submitting your proposal to make sure it is an eligible activity.

Applications which are approved for funding are subject to monitoring of files and records for the program year in which funding is received.

Your Responsibilities as a CDBG Subgrantee

All CDBG recipients are responsible for maintaining accurate records of all expenditures, certifying that programs are reaching the target population, and performing annual audits of all financial records. **CDBG recipients must verify and document City of Grand Prairie residency and U.S. legal status of all beneficiaries.** Recipients are also responsible for completing monthly reports and submitting them to the Housing and Neighborhood Services. Staff is available to assist you and will work with your organization to help you achieve success in your program.

Tip: Family sizes in excess of 8 persons are calculated by adding 8% of the four-person income limit for each additional family member. That is, a 9-person limit should be 140% of the 4-person limit, the 10-person limit should be 148%. The income limit values for large households (9-12 persons) must be rounded to the nearest \$50. Therefore, all values from 1 to 24 are rounded down to 0, and all values from 25 to 49 are rounded up to 50.
