Residential – Miscellaneous

The following is intended as a general inspection guide and may not include all inspections or reports needed to show compliance with a specific project or design.

Information and Inspections can be obtained and requested online via the CSS Portal: https://www.gptx.org/Departments/Building-Inspections/Residential-Information/Residential-Re-Roof

It shall be the responsibility of the permit holder to request the appropriate inspection as needed.

INSPECTIONS - Typical

INSPECTIONS – Inspections are requested via the CSS portal.

- **Building - Final –** Inspection required to be requested after work is complete. **(Depending on project see optional inspections as needed)**

  ✓General Comments – Check proposed work for compliance

- **Optional Inspections** – Are available on the portal and can be requested as needed. Depending on project and scope of work, additional inspection may be needed. It is the responsibility of the applicant to request any necessary inspections needed to show compliance with the adopted codes and ordnances.
