Fire Fatality

At approximately 5:46 a.m., Grand Prairie Fire Department crews were dispatched to a structure fire in the 2100 block of El Paso St. On arrival, firefighters found heavy smoke and fire coming through a window and were notified of one possible victim trapped inside. Crews quickly began a primary search and were able to locate one adult female victim. The victim was transported to the hospital in critical condition, where she was later pronounced deceased.

The cause of the fire is under investigation.
