Business IS NOT Incorporated: Owner's Name _____

Home Address _____

DL# _____ SS# _____ Phone# _____

Name and address of well site _____

Address where meter will be used (NOTE: Meters should only be used at one location unless previous permission has been granted) _____

Applicants shall place a minimum \$ _____ deposit for each raw water and fire hydrant meter.

Applicant agrees to submit readings for billing each month between the 20th-25th by email at Asearcey@gptx.org or by fax at 972-237-8206 Attn: Ann. When reporting monthly readings, include the company name, meter number, reading, contact name and phone number. Fire Hydrant meters should be brought to the warehouse at 516 Small Hill every 3 months for reading and meter inspection. **Additional non-refundable fees apply each time the meter reading is not received by the 25th.**

All meters are subject to inspection by a representative from the City of Grand Prairie. If it is determined the meter is not accurately measuring the water usage or readings are inaccurate, permission to pull water will be terminated until the issue has been resolved.

Once the account has been finalized, the deposit will be applied toward any charges due for water usage and any credit difference will be refunded. In the event of a lost or stolen meter, the full deposit will be applied towards the meter and estimated water charges are possible.

NOTE: Sale of water is subject to prior allocations, availability and drought restrictions and there can be no future guarantee of specific water quantities.

For any questions, you can call 972-237-8211.

As an authorized signing agent for the company shown above, you understand and agree to the terms and stipulations listed above.
