

GAS WELL WAIVER NON-RESIDENTIAL STRUCTURES

I, _____, am the corporate officer with _____ (*name of company*) with real property located at _____, _____, Texas, more particularly shown on the map of record in Volume _____, Page _____, Plat records of _____ County, Texas or per Tax Tract Number _____, _____ County, Texas and described as Block _____, Lot _____ in the _____ Subdivision, _____ County, Texas.

I understand the current Gas Drilling Ordinance of the City of Grand Prairie requires that a Gas Well Permit shall not be issued administratively for any well to be drilled within seven-hundred (700) feet of the edge of the pad site of any protected use such as a residential structure, public building, hospital, institution, school, day care center, or commercial building if 70% of all protected use owners do not sign waivers. That distance can be reduced to not less than 500 feet to any boundary line if 70% or more affected protected use owners agree in writing. Alternatively, the operator can seek approval from the City Council during a Public Hearing.

By this waiver, I hereby grant to _____, permission to drill one or more gas wells closer than seven-hundred (700) feet to my protected structure, but in any event, the gas well pad site may not be located any closer than five-hundred (500) feet to the property structure which includes a residential structure, public building, hospital, institution, school, day care center, or commercial building located on my property.
