

**City of Grand Prairie Council Member John Lopez Reappointed to
National League of Cities Transportation and Infrastructure Services Committee**

GRAND PRAIRIE, TEXAS — John Lopez, councilmember of District 4 of Grand Prairie, TX, has been reappointed to the National League of Cities (NLC) 2026 Transportation and Infrastructure Services (TIS) Committee Federal Advocacy Committee. John Lopez was re-elected to a one-year term and will provide strategic direction and guidance for NLC's federal advocacy agenda and policy priorities, including local access to transportation programs for roads, safety, transit, rail, bridges, and more. Additionally, he is continuing his ongoing membership with the Hispanic Elected Local Officials (HELO) Constituency Group. The appointment was announced by NLC President Kevin Kramer, councilmember, Louisville, Kentucky.

"I am thrilled to continue serving on the Transportation and Infrastructure Services Committee of the National League of Cities," Lopez said. "I will focus on fostering intergovernmental partnerships to effectively utilize federal transportation programs, enhance road and sidewalk safety, and promote regional connectivity through shared infrastructure and transit options, while advocating for the transportation and infrastructure needs of Grand Prairie in Washington, DC, to secure equitable funding for our community."

As a member of NLC's TIS Committee, Lopez will play a key role in shaping NLC's federal policy positions and advocate on behalf of America's cities, towns, and villages before Congress, with the President's Administration, and at home in Grand Prairie, TX.

"The National League of Cities' federal advocacy committees are the voice of America's 19,000 cities, towns, and villages to leaders in Washington," Kramer said. "I am thrilled to work with councilmember Lopez and look forward to supporting their goals and ideas as they serve on the Transportation and Infrastructure Services Committee this year, helping to strengthen the partnership between local and federal leaders."
