Resolution authorizing a Thirty-Year Tenant Ground Lease with Option to Renew for two Ten-Year Terms with CNP Operating, LLC (or related assignee), for the Construction and Operation of a Restaurant at EpicCentral for $40,001 annual rent

**Presenter**
Tom Hart, City Manager

**Recommended Action**
Approve

**Analysis**
A thirty-year Lease Agreement would be executed with CNP Operating, LLC, or related entity, as the developer and operator. The Lease would require Tenant to construct and operate a restaurant during the term of the Lease at their sole cost. Base rent is $1 per year with $40,000 Common Area Maintenance charge as additional rent. The restaurant has entertainment and recreation ancillary components, including pickleball and outdoor games. Tenant will also be required to offer certain special benefits to Grand Prairie residents during the term of the Lease.

The City will make the facility site "Pad Ready" and will provide access to non-exclusive parking for the facility. The Tenant would construct the facility and pay all operating costs during the term of the Lease, such as equipment maintenance, insurance, and utilities, and maintenance. The Lease could be renewed for two additional ten-year terms.
**Financial Consideration**
Rent will be paid into the EpicCentral Revenue Account

Analysis
A ten-year Lease Agreement would be executed with Milkshake, LLC, or related entity, as the tenant. The Lease would require Milkshake to operate three restaurants. Rent would be calculated as follows:

Base Rent:
- Years 1 through 5 $25.00 PSF annually plus CAM
- Years 6 through 10 $27.00 PSF annually plus CAM
- Years 11 through 15 $29.00 PSF annually plus CAM
- Years 16 through 20 $32.00 PSF annually plus CAM
- Years 21 through 25 $35.00 PSF annually plus CAM
Percentage Rent. City to share in 20% of all NOI for the duration of the term and all respective extensions.

The Tenant would pay all operating costs during the term of the Lease, such as equipment maintenance, insurance, and utilities, and the City would maintain the building structure. The Tenant may not sublet the space and has no right to assign the lease without City approval. The Lease could be renewed for three additional five-year terms.

The Lease provides for $100 per square foot for tenant finish out allowances. The 380 Agreement authorizes any payments required under the Lease to be paid as an economic development incentive.

Financial Consideration
Rent will be paid into the EpicCentral Revenue Account

Analysis
As part of the City’s pandemic response, on May 22, 2020 the City entered into an agreement for COVID-19 Drive Through Testing at a cost of $85.00 per test administered for an initial four week period with two four-week renewal options. The estimated total is between $34,000 and $204,000 per term depending on the total number of tests administered. Drive through testing began on May 26, 2020 at the Grand Prairie Veteran’s Center and is offered to residents free of charge.

Additionally, the City entered into an agreement for COVID-19 At Home Testing at a cost of $150.00 per test administered for an initial four week period with two four-week renewal options. The estimated total is between $27,000 and $36,000 per term depending on the total number of tests administered. This allows COVID-19 testing of residents unable to transport themselves to a drive through testing site.
Lastly, the City entered into an agreement for COVID-19 Rapid Testing and Nursing Home Testing on an as needed basis, not to exceed $50,000, should the need arise. This agreement will provide our First Responders access to take the rapid test, currently being developed, and receive results within 24 hours; additionally should the City have a nursing home or similar facility require testing, this pre-positioned contract would expedite the City’s response in getting those residents tested.

This requested Council action is to ratify each agreement and authorize the City Manager to execute any renewal options as may be needed as the pandemic situation continues to progress.

Per Federal procurement guidelines, 2 CFR 200, these contracts were entered into on an exigency basis due to the federally declared disaster. All supporting documentation is on file.

**Financial Consideration**

Federal Funds from The Coronavirus Aid, Relief, and Economic Security (CARES) Act are available for this expenditure. One third would come from the Tarrant County contribution (3005-300598-TARCARES-61480), and two thirds would come from the Dallas County contribution (3005-300598-DALCARES-61480).

Compromise, Settlement and Release Agreement with HKS Architects regarding Epic Waters and The Epic

Presenter
Andy Henning - Senior Building and Construction Projects Manager

Recommended Action

Analysis
In November of 2014, the City entered into a professional services agreement with HKS for architectural services in connection with the The Epic and Epic Waters. The City determined there were design deficiencies associated with work performed by HKS under certain change orders it submitted under the contract. All of the change orders were paid by the City. There is one outstanding change order request filed by HKS in the amount of $46,875. In settlement of the dispute, HKS has agreed to withdraw the $46,875 change order request, and pay the City $31,085.50 as compensation for the alleged deficiencies.

Application and Letter of Agreement for construction services in the amount of $61,400 with AT&T Texas for the relocation of all communication cabling necessary for the start of the EpicCentral construction project

**Analysis**  
Despite beginning discussions with AT&T nearly twelve (12) months ago regarding the relocation of AT&T infrastructure along Esplanade Drive, the EpicCentral destination project has now reached a critical milestone due to the lack of action on the part of AT&T.  

The City finally received the long-awaited Application and Letter of Agreement for Construction Services from AT&T on Friday, June 5, 2020. Because AT&T requires their equipment and communication cabling be serviced only by AT&T, a bid process was not able to be undertaken and costs associated with the agreement between AT&T and the City of Grand Prairie will be applied to the relocation work to be performed.  

**Financial Consideration**  
Funding for an Application and Letter of Agreement for construction services, in the amount of $61,400, is available in the EPIC Central Capital Projects Fund (360093) WO #EPICCLST (EPIC Central-Streets)

Award bid for the completion of one residential reconstruction project as part of the HOME Reconstruct Program to Johnson Construction Services in the amount of $120,365

Presenter
William A. Hills, Director, Housing and Neighborhood Services

Recommended Action
Approve

Analysis
The family residing at the location in attachment A, has met all of the eligibility requirements of the HOME Reconstruct Program as described below; therefore the City Council is requested to award the bid for one residential reconstruction project as part of the HOME Reconstruct Program to the low bidder for the project, Johnson Construction Services in the amount of $120,365.

The Housing and Neighborhood Services Department, as part of the Housing rehabilitation program, takes applications from citizens of Grand Prairie for assistance in the rehabilitation of their homes. All HNS rehabilitation programs are federally funded, with the reconstruction program being the most comprehensive rehabilitation effort. The detailed procedures and guidelines for the reconstruction program can be found in attachment B.

The HOME Reconstruct Program has specific eligibility requirements. The applicant must be 60 years of age or older, or have a long-term disability supported statement; the home must be owner occupied with a valid Deed of Trust; the property must be located in the city limits of Grand Prairie; the applicant must have owned
the property at least 3 years; the current taxes must be paid (county, city, and schools); the insurance must be current (minimum value of the home); and the property must be more than 75% deteriorated from its appraised value, as provided by the appropriate appraisal district. To qualify for the program, the applicant’s income must not exceed 80% of the median income for the City of Grand Prairie, as determined by the U.S. Department of Housing and Urban Development (HUD). This program is a Deferred Payment Loan (DPL), not a grant, and a lien is placed on the property for the total amount of reconstruction with a 0% to 3% interest rate, based on the applicant's income.

Financial Consideration
The bid sheet for the project is attached (Attachment A). We received two (2) competitive bids from our contractors after sending the bid packet to all 11 eligible bidders. Sufficient funding is available and was approved in the PY19 CDBG/HOME program budget to complete the projects using 302092 HOME Grant Funding.

Public hearing and ordinance adopting the PY2020 CDBG and HOME Program budgets through its five year 2020-2025 Consolidated Plan and One (1) year Action Plan.

Presenter
William A. Hills, Director, Housing and Neighborhood Services

Recommended Action
Approve

Analysis
2020-2025 Consolidated Plan, (1) One year Action Plan and PY2020 CDBG/HOME Budgets
The Consolidated Plan serves as a planning document meeting the federal government statutory requirements in 24 CFR 91.200-91.230, with revisions for preparing a Consolidated Plan and guiding the use of CDBG and HOME funding based on applications to the U.S. Department of Housing and Urban Development (HUD). A copy of the Consolidated Plan is available for review in the Housing and Neighborhood Services office.

The Housing and Community Development Act of 1974, as amended, combines several previous federal programs for community development into a single block grant. CDBG activities must primarily benefit low to moderate income persons and/or neighborhoods. Community development activities must meet 1 of 3 primary CDBG objectives, decent housing, suitable living environments, or expanded economic opportunity.

Total CDBG funding has increased by $9,014, from $1,496,990 (2019) to $1,506,004 (2020). As in previous years, the number of CDBG proposals exceeded the amount of CDBG funds available. Attached is a summary
of the 2020 proposed programs as **Exhibit 1**. The CDBG Program Development Process included neighborhood public hearings in February, Request for Proposals (RFP) and the Housing and Community Improvement Commission (HCIC) priority rating meeting in April.

**Exhibit 2** includes the proposed 2020 CDBG/HOME budget which continues funding for existing CDBG/HOME programs and funding for new projects based on the HCIC priority rating and the recommendations from staff.

**CDBG Program Administration** is increasing by $5,566 and includes the continued funding of the Neighborhood Services Manager and 2 Senior Office Assistants positions. The program administration budget is below the 20% cap limitation that is required by law. This budget includes indirect cost allocation and Fair Housing Activity funding.

**Rehabilitation, Code, Housing**
Direct Delivery funds the salaries of 2 Rehabilitation Coordinators and a Neighborhood Services Specialist position. It also funds operational expenses. Housing Rehabilitation funds are utilized to rehabilitate and repair single family homes. Emergency Small Home Repair will provide emergency repairs to single family homeowners with a 24-48 hour response time. Buying Power provides down payment and closing cost assistance to low/moderate income first time home buyers.

As in the past, **Public Service Activities** will be capped at 15% of the total CDBG grant and will increase from last year's levels by $1,352.

**Public Facility Improvements** will fund a sidewalk repair and replacement program in CDBG low/moderate areas.

**PROPOSED 2020 HOME**
The HOME Program was created by the National Affordable Act of 1990 (NAHA) to provide decent affordable housing to low/moderate income households and to leverage private sector participation. Eligible activities are limited to homeowner rehabilitation, homebuyer activities, rental housing, and tenant-based rental assistance.

Grand Prairie is receiving $519,994, an increase of $35,175 HOME funds from last year's $484,819. **Exhibit 1** also identifies the HOME funding for rehabilitation, reconstruction, and Community Housing and Development Organizations (CHDO) programs.

**Financial Consideration**
The 2020 CDBG and HOME Programs, funded by the U.S. Department of Housing and Urban Development (HUD), will commence on October 1, 2020, and end on September 30, 2021. The total amount estimated to be available, including reallocated funds is summarized below.

Analysis
This ordinance is to increase the percentage from 7.5% to 10%, providing property tax relief for all citizens with a homestead exemption.

Financial Consideration
It is estimated that property tax revenues will be reduced by an estimated $1.2 million if the Homestead Exemption is increased to the greater of 10% or $5,000.

Body
AN ORDINANCE OF THE CITY OF GRAND PRAIRIE, TEXAS, AMENDING CHAPTER 24 "TAXATION", SECTION 24-1.1 "HOMESTEAD EXEMPTION" OF THE CODE OF ORDINANCES TO INCREASE THE HOMESTEAD EXEMPTION TO THE GREATER OF TEN HALF (10) PERCENT OF THE APPRAISED VALUE OR FIVE THOUSAND DOLLARS ($5,000) OF ALL OWNER OCCUPIED RESIDENCES; CONTAINING A SAVINGS CLAUSE; REPEALING ALL ORDINANCES IN CONFLICT THEREWITH

WHEREAS, Ordinance 7694 was adopted on November 6, 2007 granting a Homestead Exemption for
all persons owning the primary residence they are residing in.

WHEREAS, the amount of the Homestead Exemption adopted in 2007 was the greater of 1% of the appraised value or $5,000.00.

WHEREAS, the Homestead Exemption was amended on February 7, 2017 and again on May 16, 2017 increasing the Homestead Exemption to the greater of 1% of the appraised value of $10,000.

WHEREAS, the Homestead Exemption was amended on June 18, 2019 increasing the Homestead Exemption to the greater of 7.5% or the appraised value of $5,000.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:

SECTION 1. That Chapter 24, Section 24-1.1 of the Code of Ordinances is hereby amended to read as follows:

"Section 24-1.1 Homestead Exemption - Granted for all persons owning the primary residence that are residing in under the following conditions.

That pursuant to Section 11.3 of the Texas Tax Code, the greater of 10% of the appraised value or $5,000 of the residential homestead of all persons shall be exempt from City ad valorem taxes when taxes are levied for the year 2019 and for all subsequent levies, upon the owner's compliance with the following requirements:

1. The owner shall primarily dwell in the residence claimed as homestead for the tax year claimed. If the owner claims in the same tax year a homestead exemption on any other property, regardless of its location, the homestead exemption shall be denied.

2. The owner of the residence homestead shall submit to the County Appraisal District of the County in which they reside before May 1 that the owner of the residence homestead used it as a primary residence in the tax year. An exemption, once allowed, need not be claimed in subsequent years; the exemption applies to the property until it changes ownership or the person's qualification for the exemption changes.

3. To receive an exemption, the eligibility for which is determined by the claimant's qualifications on January 1 of the tax year, a person required to claim an exemption must file a completed exemption application form before May 1 and must furnish the information required by the form. A person who, after January 1 of a tax year, acquires a property that qualifies for an exemption covered by Section 11.42(d) of the Texas Tax Code must apply for the exemption for the applicable portion of that tax year before the first anniversary of the date the person acquires the property.

SECTION 2. That it is further provided that in case a section, clause, sentence, or part of this Ordinance shall be deemed or adjudged by a Court of competent jurisdiction to be invalid, then such invalidity shall not affect, impair or invalidate the remainder of the ordinance.

SECTION 3. That all ordinances or parts of ordinances in conflict herewith are specifically appealed.
