

DENNIS KING WINS COUNCIL DISTRICT 2

Councilman Swafford passed away while in office from COVID-19 on Dec. 1, 2020. A special election to fill the seat was conducted on Feb. 27, 2021, with a run-off election on March 27, 2021. Dennis King won the seat with 292 votes (52%) to Frank Gonzalez's 269 (48%). Mr. King was sworn in on April 6, 2021. The newly elected official will complete the current term, which expires May 2022.

OUTDOOR ADVENTURES SUMMER READING CLUB 2021

This summer is going to be an Outdoor Adventure at the Grand Prairie Libraries! Register now to join us for our Kickoff Party at the Main Library on Saturday, June 5 at 10 a.m. We will have fun activities and you'll get a chance to meet a few of your favorite characters.

All summer long there will be opportunities to win prizes and participate in fun activities and programs. Visit gptx.org/library for more information!

ONLINE UTILITY PAYMENT SYSTEM

In March, a new online water bill payment system was launched. Since that time, we have encountered problems not identified during our test phase. Please know we are working diligently with our vendor to resolve these shortfalls.

In the meantime, if you are experiencing difficulties accessing your account online, payments can be made by calling our automated system at 972-237-4545 or by selecting the Pay Now option online without logging into your personal profile. Any late fees incurred due to this upgrade will be waived.

We apologize for the inconvenience and ask that if you wish to call us to be patient as we are experiencing very high call volumes.

COVID-19 VACCINE

The COVID-19 vaccine is available free to everyone age 16 and older*. Vaccine sites are available at several locations in Grand Prairie and nearby. For more information, visit gptx.org/covidvaccine.

**Eligible age as of April 14, 2021*

NATIONAL WILDFIRE AWARENESS MONTH

A wildfire is an unplanned fire that burns in forests, grasslands, or prairies. Wildfires can be caused by dry vegetation, strong winds, high temperatures, lightning, humans and drought conditions. Make sure you sign-up for wildfire emergency alerts, protect your property from combustible debris and practice your evacuation plans!

IF YOU ARE UNDER A WILDFIRE WARNING, GET TO SAFETY RIGHT AWAY

Leave if told to do so.

Listen for emergency information and alerts.

If trapped, call 911.

Use an N95 mask to keep particles out of the air you breathe.

GRAND PRAIRIE FLOOD INSURANCE RATING KEEPS INSURANCE COSTS LOW

Grand Prairie is one of the best rated cities in Texas for reducing flood losses and providing flood insurance savings for residents, according to the National Flood Insurance Program's Community Rating System. The City of Grand Prairie achieves the high rating by voluntarily participating in floodplain management activities such as:

- Higher standards for development in flood prone areas.
- Ongoing drainage system improvements throughout the city that are designed to reduce structural flooding and stormwater pollutants.
- Protection of wetlands
- Public outreach

These efforts, and many other floodplain management practices, allow Grand Prairie residents and businesses to purchase flood insurance at a reduced rate. More information on the City of Grand Prairie's flood management activities is available at gptx.org/floodplain.

DOO THE RIGHT THING

There are an estimated 39,000 dogs in Grand Prairie. When it rains, pet waste washes down storm drains and into our streams, rivers and lakes. This untreated fecal matter can be a source of harmful bacteria and nutrients in our water. Pet waste left on the ground may also pose a risk to children, adults and pets

who can be exposed to diseases. Doo the right thing and take one of the following actions to prevent pollution and diseases caused by pet waste:

- Pick up waste and put it down the toilet
- Bury pet waste (up to six inches deep)
- Use a plastic bag and put pet waste in the trash

For more information on why it is important to doo the right thing, visit gptx.org/environmentalquality/petwaste

COVID-19 TESTING SITES

For COVID-19 testing sites and vaccine information in and around Grand Prairie, visit gptx.org/covid-19.

ACCESS YOUR WATER METER ONLINE

The City of Grand Prairie's H2Know online customer portal lets you see your actual water use online 24/7. H2Know measures and transmits hourly water use data. With H2Know you have the power to:

- Receive automatic alerts of higher than normal use
- Establish monthly budget with alerts when you reach maximum total
- Identify high use and suspected leaks with precise meter readings
- Monitor use patterns such as irrigation to better manage frequency and time
- Save water and money

Register at gptx.org/H2Know
