

Dallas County Orders through April 3, 2020

Social and community gatherings are prohibited

Restaurants may only provide take out, delivery, or drive-through services

Bars, lounges, taverns, private clubs, arcades, bowling alleys, theaters, gyms, fitness centers, gymnastics studios, and martial arts studios shall close.

Massage parlors, nail salons, hair salons, barber shops, beauty salons, hair removal services, spas, tattoo and piercing parlors, and all other non-medical, personal care services that cannot be provided while maintaining six feet of distance shall close

Dallas County Tax Offices and passport offices shall close for in-person services.

All elective medical, surgical, and dental procedures are prohibited

Private facilities, such as county clubs, may still operate their outdoor facilities, such as golf or tennis courts, but must limit indoor activities, such as their card rooms and similar amenities to 10 people or less.

To the extent individuals are using shared outdoor spaces, such as public parks or trails, they must maintain at least six feet of space from any other person at all times.

This Order does not prohibit gatherings of people in multiple, separate enclosed spaces in a single building such as school classrooms, residential buildings, or hotels, so long as 50 people are not present in any single space at the same time.

This Order does not apply to the following critical facilities, so long as visitors are generally not within six feet of one another for extended periods: critical infrastructure, including airport facilities and operations, bus stations, transit, and transit facilities; government buildings providing essential services; schools or institutes of higher learning; banks, financial institutions, and credit unions; office buildings, so long as employers take all steps reasonably possible to implement social distancing protocols; grocery stores and pharmacies; hospitals and medical offices and facilities, including cafes and restaurants located within these facilities; businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals; and grocery stores includes warehouse stores, big-box stores, bodegas, gas stations, and farmers' markets that sell food products and household staples.

Due to increased demand for bath or toilet tissue, a mandatory limit on toilet paper sales is instituted until the supply chain meets the demand or two weeks, whichever comes first. All sales of bath or toilet tissue occurring in Dallas County are limited to the greater of: (a) twelve (12) rolls per purchase or (b) one (1) package per purchase.

Dallas County Justices of the Peace will suspend eviction hearings and writs of possession for at least the next 60 days to prevent renters from being displaced.

Nursing homes, retirement, and long-term care facilities are to prohibit non-essential visitors unless to provide critical assistance or for end-of-life visitation.
