Commercial/Mixed Development Site
NW Quadrant IH-20 & Belt Line Road, Grand Prairie
± 44 Acres

Location: NWQ IH-20 & Belt Line Road (FM 1382), Grand Prairie, Dallas, County, Texas, 75052. This is in east Grand Prairie, potentially being the gateway development into the city as motorists travel westbound from the Dallas area. This is a great regional location with great access and exposure.

Street/Access: IH-20 is a modern divided interstate highway with 4 through lanes in each direction. The Property is at similar grade as the main lanes giving excellent visibility. There is a TxDOT frontage road and ramp project that will be complete in early 2020 to modernize the on/off ramps and install one way frontage roads at this location. New frontage road access will be permitted upon request. A project summary is included in this brochure. Belt Line Road (FM 1382), is a modern artery with 3 through lanes in each direction and common center left turn lane. The property also has frontage on Westcliff Road & E. Fish Creek Road, both two-lane asphalt paved streets.

Demographics: See Full Demographics page herein. Rooftops are dense to the west, but the east is dominated by the watershed of Mountain Creek Lake.

Size/Shape: ±44 acres per tax accounts. The property has ±2348’ of total frontage on IH-20 & ±686’ of frontage on S. Belt Line Road (FM 1382).

Terrain: Rolling terrain, no creeks, some small ponds including one spring fed pond, no FEMA flood plain or floodway, small native trees. A contour map is included herein.

Zoning: The tract is zoned commercial on the east side, and commercial/multi-family on the west side in two older PDs. The city is open to commercial retail and multi-family mixed uses.

Easements: No unusual easements are known to exist, but a Survey would provide final proof.

Utilities: City water & City sewer mains are located adjacent to the Property. The city sewer is near the Belt Line/IH-20 intersection and civili engineering says that should gravity sewer the whole site. A buyer is responsible for verifying any existing utility lines are satisfactory for their specific use.

Development: Seller envisions mixed use development with commercial retail on the eastern ±25 acres, and multi-family western ±19 acres. Seller plans to develop the multi-family sections.

Pricing: Seller will entertain proposals on any section of the property. Seller will consider sale, JV, etc.

Information About Brokerage Services

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:
• A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
• A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER’S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):
• Put the interests of the client above all others, including the broker’s own interests;
• Inform the client of all material information about the property or transaction received by the broker;
• Answer the client’s questions and present any offer to or counter-offer from the client; and
• Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker’s obligations as an intermediary. A broker who acts as an intermediary:
• Must treat all parties to the transaction impartially and fairly;
• Must not, unless specifically authorized in writing to do so by the party, disclose:
  o that the owner will accept a price less than the written asking price;
  o that the buyer/tenant will pay a price greater than the price submitted in a written offer and any coincidental information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:
• The broker's duties and responsibilities to you, and your obligations under the representation agreement.
• Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
